BioClean

Biological All-In-One Household Cleaner

DESCRIPTION

BioClean is a concentrated liquid biological surface cleaner specially designed for use in homes or businesses where sanitary installations are present. Eg. Septic Tanks, Grease Traps. Unlike most non-biological cleaning products that can harm and cause blocking of your septic tank *BioClean* is beneficial to it. *BioClean* is based on micro-organisms, enzymes and nutrients that liquefy and digest most organic matter thus offering a high level of cleaning performance.

APPLICATIONS

- Kitchen, Bathroom, Floors, Walls, Work Surfaces, Wash Basin, Toilet Basin etc..
- (Waste Water) Pour down sinks or drains to help treat your Septic tank.

ADVANTAGES

- Outstanding Household cleaner
- Waste water helps treat the septic tank when used in conjunction with Septclean
- Helps stop bad odours in drains.
- Reduces the number of products for household cleaning.
- Pleasant fragrance.
- Totally compatible with *Septclean 250FE* and septic tanks.
- Can be handled without danger.
